Quick Quote

The Quick Quote function allows you to quote estimated policy premium on the Quote Page (the actual premium may vary).

To access the Quote Page, click on Quick Quote on the Main Menu:

The following Quote Page displays (this is the beginning of the screen):

Once you enter the required information, the quoted, adjusted, and credit premiums for each vehicle display at the top of the Quick Quote Page:

Further down, a suggested policy down payment displays:
Generating a quote: Directions

To generate a quote:

1. Enter the appropriate company, vehicle, rating, and coverage information.
2. Click on the Generate Rate Quote button to view the quote.

New quotes

To enter a new quote, scroll down the Quote Page, and click on New Quote:
